

About Sorentec:

Sorentec is an international trading company that specializes in the trading of Digital printers, inks and printer accessories. The company founded in Canada in early 2006, possessing 10 years of experience in the field and soon became a reliable supplier throughout the whole region's industrial field.

Sorentec's credentials & success are due to the unique sales engineering services, which guarantee the smooth progress of the timely scheduled projects in Canada and all over the world.

We are always eager to develop new trading partners, while continuing to maintain the valuable relationships we have already established in international trade markets.

Our Existing Services Include:

Globally Competitive

Offering the customers globally competitive sales conditions and prices along with highly sophisticated facilities in Canada, having the materials & equipment in the warehouses in & outside the country.

Budgetary Estimation

Budgetary estimation, provision, and supply of the required materials & equipment based on the need and the timing schedule of the contractors, before and/ or during the projects.

Technical Guidance

Providing proper technical guidance & tips for applying equipment and/or consumables using highly trained manufacturer's skillful technicians before and/ or during all fields of operations.

Training

Professional, technical training of nominated personnel by manufacturers' technicians.

Support

Provision of required spare parts, repair, maintenance manuals and when necessary, assigning technician group(s) at the required site or plant.

Documentation

Providing the required documents such as certificates of conformance, service, maintenance & instruction manuals, illustrated spare parts lists, recommended parts list for the specified operation periods.

Priority Service

In some special cases when the project is in need of material &/or equipment which were not included in design, or foreseen in advance, the priority is given to supply our customers with their needs, avoiding normal procedures of purchasing formalities.
